Bayview BEAT

May 2022

Brought to you by... Bayview Community Centre

Rooms for Hire | Early Learning Centre | Community Events Before & After School Care | School Holiday Programmes

72 Bayview Rd, Bayview P 443 0231
office@bayviewcentre.org.nz | www.bayviewcentre.org.nz

Kia ora koutou,

I want to take a moment to reflect on the Bayview Community and how amazing the people here are. We have had many Bayview families needing support during isolation and every time someone put their hand out for help someone was able to help really quickly.

It has been a time of change here. We are happy to now be in the Orange Traffic light framework which allows us to look forward and get some more events and activities into the calendar.

I also want to say thank you and goodbye to our Centre Manager Rachael. She has been a great support of all of us here at the Community Centre and Early Learning Centre. Always encouraging more sustainable projects and opportunities in Bayview and looking out for opportunities to help boost the community. We miss you and wish you all the best.

This month we are also welcoming Sonya as the new Chairperson of the Bayview Community Centre Governance Board.

The Minecraft club has started up with great interest. There will be monthly meets. Booking a space is required but it is free to attend. Bring your own device. Join Bayview Minecraft Club on facebook to keep up to date with the events and rsvp.

Find us on Facebook to keep up to date with all that is going on;

Bayview Community (Auckland, NZ)
Bayview Community

Do you live on any of these roads?

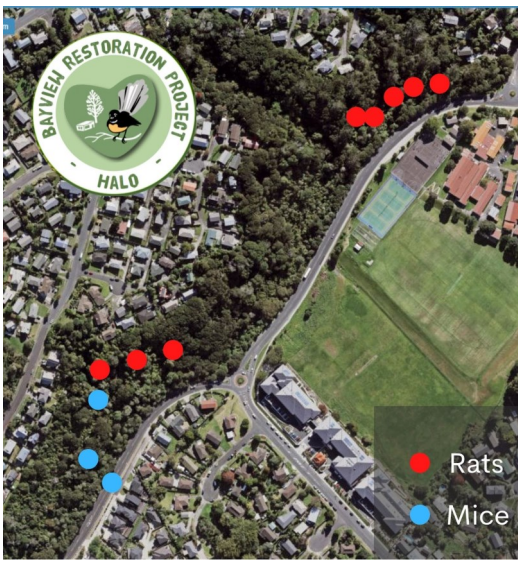
Kaipātiki Rd, Witherford Drive, McQuoid Pl, Noeleen St, Valecrest Pl, Antrim

Rats and mice have been found in your local reserve - Witherford Reserve!

You can work together with your neighbours to get rid of these invasive predators that are harmful to our native forests and birds by joining the Bayview Ecological Halo and hosting a trap in your backyard.

How do I get involved?

Email enquiries@pestfreekaipatiki.org.nz and say you're wanting to trap in your backyard, we'll help you from there!



Do you have a fruit tree with excess fruit?

Instead of letting it drop and rot on the ground we would love to come and help collect excess fruit to distribute to the community via the food cart. Please call or email and we can arrange a suitable time for volunteers to collect it.

Mark Mitchell Electrical Services Ltd
