Bayview Community Centre & Bayview Early Learning Centre

FY26 Annual Report

2026

Bayview Community Centre

Bayview Early Learning Centre

Our Strategy

Our Vision

A thriving, caring and connected commUNITY.

Our Mission

The Bayview Community Centre (BCC) is the hub of Bayview; we foster community connections, nurture social and cultural well-being, promote resilience and collaborate for community-led development.

Our Priorities

- To ensure the Community Centre is an accessible hub with a wide range of activities that foster community cohesion.
- To create opportunities for meaningful social and cultural connections.
- To promote community pride, social cohesion and problem solving through responsive and collaborative community-led development.
- To promote local resilience by supporting sustainability, prosperity, equality and preparedness in the community.

Our Values

The Bayview Community Centre values:

- A caring, family-friendly environment that is open and welcoming to everyone;
- Being open-minded, receptive and responsive to new ideas and changing community needs.
- Partnership with other organisations working for the common good of the community;
- Being a role model of excellence in everything we do.

Chairperson's Report

Colleen Dutton

Who are we

Bayview Community Centre Association Incorporated is a not-for-profit organisation and registered charity, overseen by a Governance Board committed to the Bayview community. We have association members, staff, volunteers and interested residents. We lease this building from Auckland Council. Bayview is a "gated community" in the sense that our geographical area has only two gateways and people travel into our community rather than through it. Along with the school, kindergarten and local shops Bayview Community Centre provides essential services within this community. We operate an Early Learning Centre, Playgroups for preschool aged children, and an Out of School Care and Recreation (OSCAR) service for school aged children. We hire out our facilities for regular and casual events. Our programmes and community led activities are strategic to the wellbeing of the community.

Report scope

The Board's term runs from one October AGM to the next, while our Financial Year and Annual Strategic Plan run from July to June. This report therefore covers October 2025 to October 2026, and some of its content naturally overlaps with other reports presented at the AGM.

Acknowledgement & Thanks to Our Funders

Our AGM is an opportune time to thank and acknowledge the funding and support we receive from Auckland Council/Kaipatiki Local Board, the Ministry of Education and Ministry of Social Development. Our other income comes from the Early Learning Centre and OSCAR programme fees, local grants, and the hire of our facilities to community groups and individuals in line with council guidelines. Thank you to our community members who support these activities and encourage regular hireage.

Acknowledgement & Thanks to Our Board & Staff

We have eight volunteers on the Board, and collectively we employ around 31 staff. Board members are Colleen Dutton (Chair), Divina Paredes (Secretary), Rebecca Subritsky (Treasurer October-March), Angela Lam (Treasurer April-October), Taryn Davies (ELC Representative), Karolina Sargeant, Murray Sheard and Natasha Douglas. Thank you for your preparation, collaboration and contribution to monthly meetings and ongoing interactions in the community.

We appreciate the significant roles of Kirsty Stone (BCC Manager October-July), Emma Faulkner (BCC Manager August-October) and Ella Paumolevuka (ELC Manager) for the board. We value the contribution of Emma Ryburn-Phengsavath (Kaipatiki Local Board liaison) to board meetings and KLB members to our events. We appreciate relationships with Jamie Adkins (Place and Partner Specialist) and his staff from Auckland Council. Thank you to all staff and board members who work with purpose and cooperation to empower our community.

Bayview Annual Plan

The Board sets the Annual Strategy and works with Managers and Auckland Council to write the Annual Plans. The BCC Annual Plan was successfully fulfilled in June 2026, and benchmarks were maintained for 2026-27. The ELC Annual Plan sits within the BCC vision but has its own goals, focused on successful Early Childhood Education. The Annual Plans 2026-7 are available in the AGM pack.

Board development

The board have continued to review how we work. We have benefitted from a consistent team and high attendance at meetings. Subcommittees have worked on HR matters. Individual board members have joined webinars on topics such as Use of AI, Marketing, Use of social media and Emergency Preparedness.

Succession planning has been used this year, including for Treasurer and Chair roles. Thank you, Rebecca for serving seven years on the Board. As required by the Constitution, I will step down as Chair, but I will remain available as a co-opted member. These changes make way for two new members.

We maintain a summary of conflicts of interest. This year, two board members had children in the ELC, four had children in OSCAR, one worked in Auckland Council-related employment, one was involved in Craft Mob and Ladies Social Group, and one supervising a D&D group. These connections have been beneficial to discussions and voting on relevant decisions has been managed appropriately.

Key Changes

“Kia whakatōmuri te haere whakamua” I walk backwards into the future with my eyes fixed on my past.

In that spirit, we acknowledge with sadness the death of Jill Nerheny QSM in September and reflect on the contribution she made to Bayview through the Kaipatiki Community Facilities Trust and the establishment of the Bayview Placemaking Project (BPP), which later amalgamated with Bayview Community Centre.

We were sorry to farewell Kirsty Stone, who resigned from her role as BCC Manager this year. Over three years, she made significant improvements within our organisation and the wider community, and her diligence and kindness were noteworthy.

We are grateful to Ella Paumolevuka, our ELC Manager, for extending her skills and energy to support OSCAR during this time of transition, and BCC and ELC staff have demonstrated a great teamwork ethic throughout. We welcome Emma Faulkner, who became BCC Manager in August, and look forward to benefiting from the new set of skills she brings to BCC.

The Early Learning Centre increased its level of excellence in the Education Review Office three yearly audit. Congratulations to Ella and her team for all the hard work that went into this accomplishment. Just one example of their excellent programming was the accumulation of six months of art work into an exhibition onsite.

Progress on the backyard project stalled because remedial work was needed on the property. We are continuing discussions with Auckland Council to address mould in one of our storage spaces. In the meantime, we focused our resources on core services, and we continue to celebrate examples of communication, creativity and care across the centre in our monthly reports.

Our Future

Over the next 12 months we aim to better understand the needs of our community. This will guide the board as we refresh our goals and build resources for resilience, drawing on a range of people, media and language resources.

Summary

The last 12 months have brought both change and collaboration. Through it all, individuals and groups have contributed to the wellbeing of our community hub, and these contributions are worth celebrating. Thank you to everyone who has been part of Bayview Community Centre this year.

Early Learning Centre Manager's Report

Elisiva Paumolevuka

Kia ora koutou,

This has been another busy, rewarding, and inspiring year for Bayview ELC. Throughout the year, we have remained focused on providing meaningful learning opportunities that enable our tamariki to thrive, grow, and excel within our early learning environment.

Bayview Early Learning Centre continues to be a place where strong relationships, community connections, and a commitment to learning sit at the heart of all that we do. The following highlights reflect some of the many achievements and successes we have celebrated together this year.

Key Highlights of the Year

We continue to strengthen our connection with the wider community through sustainability initiatives such as native tree planting, weeding, litter clean-ups, deeper learning like our tuna (eel) and weta inquiry, and caring for our waterways. With the ongoing support and guidance of Angi from Pest Free Kaipātiki, who has been a passionate advocate for this work, our tamariki continue to deepen their understanding of kaitiakitanga and environmental stewardship, inspiring them to care for people, places, and the natural world.

Our whānau are at the heart of Bayview ELC and continue to be one of our greatest strengths. We deeply value the strong partnerships we have with each and every family, built through open communication, shared experiences, and genuine connections. No matter how busy life becomes, our whānau consistently make time to support their children, our centre, and the wider learning community. Whether contributing resources, sharing knowledge, attending events, or responding when support is needed, their generosity, presence, and commitment help make Bayview ELC the nurturing and connected environment it is. We are incredibly grateful for the trust, support, and collaboration of our whānau as we work together to achieve the best outcomes for our tamariki.

Bayview Early Learning Centre

Our trips have included the Strawberry Farm, Auckland Zoo, Takapuna Beach, and other destinations, as well as our popular annual trips like to Rangitoto Island. We provide these experiences to give our tamariki varied opportunities to learn within the wider community.

Special events have included a six-month art gallery project, a Christmas lights display, a Halloween disco, and our glow-worm night. We organise these events for our whānau, creating opportunities to connect and strengthen the relationships that are central to our centre.

In closing, I would like to thank our dedicated teaching team, board members, whānau, and the community for their ongoing commitment to Bayview ELC. Together we continue to create a rich, inclusive, and nurturing environment where our tamariki can flourish. We look forward to another year of growth, learning, and strengthening the connections that make Bayview ELC such a special place.

I would also like to acknowledge Rebecca, who has played an important role in Bayview ELC's past, present, and future. Her contributions have helped shape the centre into what it is today, and we will always be grateful for her support.

Mā te huruhuru ka rere te manu – Adorn the bird with feathers, so it may fly.

Children thrive when they are nurtured, supported, and given the tools they need to succeed.

Centre Manager's Report

Emma Faulkner

Our People

It has been a privilege to join Bayview Community Centre as the Centre Manager. I am incredibly grateful for the warm welcome I have received from the Board, staff, and the wider Bayview community.

Starting a new role is always a period of learning and getting to know Centre and its people, and I have really appreciated the support, encouragement and knowledge shared with me as I have settled into the Centre Manager position.

I would like to take this opportunity to acknowledge and thank the Board and Auckland Council for their support and guidance during my transition into the role. I would also like to acknowledge and thank Kirsty, the previous Centre Manager, for the work she has done and for the foundations she has left for us to build on.

A special thank you also goes to the Kaipātiki Local Board for its ongoing funding and support. This support has enabled us to provide valuable community initiatives and events, including our Repair Cafés, creating opportunities for people to connect, share skills, reduce waste and contribute to a more sustainable community.

Most importantly, I would like to thank the Bayview Community Centre team. You have made me feel incredibly welcome and supported since I started, and I am grateful for the commitment, and care you bring to your work. The team genuinely cares about the Centre and the people who use it.

Out of School Care

We operate three programmes as part of our OSCAR (Out of School Care and Recreation) service, which is overseen by the Ministry of Social Development. Our service is licensed to accommodate up to 70 children per session for BSC & ASC and more recently increased from 70 to 80 in the SHP after a successful audit, catering for tamariki aged between 5 and 13 years.

Our Before School Care and After School Care programmes have continued to maintain strong attendance and engagement from families within our community. The School Holiday Programme remains highly popular, with most programme days reaching full capacity before the start of each holiday period. To better support local families, we recently introduced a two-stage booking process. The first booking window is reserved for Bayview families, with registrations opening to the wider public two weeks later. This initiative has been well received by parents and has helped ensure local families have equitable access to the programme.

Each year, we deliver more than 500 hours of quality holiday programme activities, providing safe, engaging, and enriching experiences for children throughout the school holidays.

We extend our sincere thanks to Suhair, Sena, and the entire OSCAR team for their ongoing dedication, care, and commitment to supporting our tamariki and their whānau. Their hard work plays a vital role in the success of our programmes and the positive experiences of the children in our care.

He rākau whakamarumaru mō ngā tamariki
A sheltering tree for the children.

Our Community Activations

Over the past year, the Bayview Community Centre has continued to provide a diverse range of programmes, events, workshops and community activities.

Some of the programmes and activities delivered have included:

Family, Children and Young People

- Plunket Babysitting Course
- Undergraduate Drop-in Clinic
- Disney Discs Swap Event
- Halloween Festival including messy play, face painting workshop, lollies, map and photo competition
- Beautiful Bayview Photo Competition
- Create & Play Afternoon
- Kaipatiki Community Houses Colouring Competition and Bunny Hunt
- Bayview's Amazing Race
- Bayview's Christmas Cultural Celebration & Market
- Lunar New Year Celebration

Health, Wellbeing and Inclusion

- Understanding Autism with Arletta van den Bosch
- Neurospicy Support Group
- Understanding and Supporting Anxiety and Emotional Regulation in Autism and Related Neurodivergent Conditions
- Supporting and Including Neurodivergent People in School, Work and Our Community
- CPR & AED Training – Restart a Heart Day
- Frauds and Scams Awareness Workshop
- Meet the Neighbours
- Yoga
- Pilates

Sustainability and Community Environment

- Repair Café
- Poi Making Workshop
- Spring Plant Sale
- Bring Butterflies Back to Bayview with the Moths and Butterflies Trust
- Coastal Clean-up at Manuka Reserve
- Clothing Swap

These initiatives have provided opportunities for our community to come together while also encouraging sustainability, reuse, environmental awareness and care for our local area.

Building Community Connections

One of the key strengths of the Bayview Community Centre is its ability to bring people together. Events such as Meet the Neighbours, Bayview's Amazing Race, the Christmas Cultural Celebration & Market, Lunar New Year celebrations and our community workshops create opportunities for people to meet others, learn something new and feel more connected to where they live.

The Centre is not simply a place where programmes are delivered. It is a place where relationships are formed, ideas are shared and people can feel that they belong.

As I have settled into the Centre Manager role, I have been encouraged by the range of people and organisations who connect with the Bayview Community Centre. I look forward to continuing to strengthen these relationships and finding new ways to respond to the needs and interests of our community.

Highlights

First ever commUNITY Lunar New Year celebration

For the first time, the Bayview Community Centre hosted an offical Lunar New Year celebration, with volunteers Margaret, Oscar and Chadwynn welcoming Bayviewians to the Centre on Friday 13th February to learn more about this special time of year on the Chinese calendar. The evening included colouring, kai and plenty of opportunity for connection and conversation. We anticipate this to be the first of many such celebrations with our Asian community.

Appointment of Hannah, our Kaipātiki Repair Café Coordinator

In February, we welcomed Hannah Bennett to the team with much enthusiasm! Having a Kaipātiki Repair Café Coordinator has made a significant difference to the consistency, organisation and profile of our Repair Cafés.
The repair cafes have been a great success throughout 2026. These events are held at one of the four community centres of Kaipātiki on the first Saturday of each month, supported by a range of volunteers from our local community.
In 2026 to the end of October, the repair cafes have welcomed a total of around 780 people, with 484 items being presented for repair. We've managed a 60% success rate in repairing or mending these items, keeping them out of landfill, and we've also given advice on a further 13% of items for other options on repairs.

Thank you to the Kaipātiki Local Board for making this possible.

Launch of the Neurospicy Support Group

This year saw the launch of our Neurospicy Support Group, created to provide a welcoming, informal space for parents of children with neurodiversity to connect, share experiences and support one another. The group was established in response to a clear need for greater connection and community identified by team member Mariette, with the sessions providing a relaxed environment for caregivers to meet others who "get it". The group is now one of our most popular free monthly offerings.

Looking Ahead

As I look ahead in my role as Centre Manager, I am excited about building on the strong foundation already established at the Bayview Community Centre and I look forward to working alongside the Board, Centre team, volunteers, community groups and the wider community. Together, we can continue to strengthen the Centre's role as a place where people feel welcome, connected and supported.

Over the coming year, our focus will be on strengthening the Centre's connection with the local community, developing programmes that respond to local needs, and creating more opportunities for people to connect, participate and contribute.

Key areas of focus will include:

- Strengthening community engagement and increasing participation in Centre activities, programmes and events.
- Building strong community partnerships with local groups, organisations, schools, businesses and other community services.
- Increasing volunteer and community participation, providing more opportunities for people to share their skills, ideas and time.
- Supporting our Centre team, ensuring staff have the resources, support and development opportunities they need to deliver quality services.
- Exploring new funding opportunities and partnerships to support the ongoing development and sustainability of the Centre.
- Improving systems and processes to make the Centre more efficient, organised and responsive.
- Creating accessible and inclusive activities that welcome people of all ages, backgrounds and abilities.
- Revamping and developing the Centre backyard to create a more attractive, functional and welcoming outdoor space that can be used by the community for activities, events, recreation and connection.
- Responding to emerging community needs, remaining flexible and open to new ideas and opportunities as they arise.

Thank you

I would like to thank everyone who contributes to making the Bayview Community Centre what it is. Thank you to the Board for your support and governance.

Thank you to the Bayview Community Centre team for welcoming me so warmly and for the work you do every day and thank you to our volunteers, programme facilitators, community groups, partners and, most importantly, the people of Bayview who participate in and support our Centre.

I am very grateful for the opportunity to be part of the Bayview Community Centre and look forward to seeing what we can achieve together in the year ahead.

Treasurer's Report

Angela Lam

For the year ended 30 June 2026, Bayview Community Centre recorded an overall loss. This result was primarily driven by Early Learning Centre (ELC) incurring a larger than budgeted loss, while growth in BCC trading revenue was insufficient to offset the overall increase in total expenses.

ELC revenue decreased compared with the prior year. Although fee revenue increased, the reduction in Ministry of Education operating funding exceeded the additional fee income, resulting in an overall decline in revenue.In contrast, BCC recorded strong revenue growth, with Auckland Council funding nearly doubling compared with the previous year. BCC also experienced growth across other revenue streams, including programme fees and room hire income, which contributed positively to overall revenue performance.

Total expenses for both BCC and ELC increased compared with the prior year. As in previous years, employee remuneration was the primary driver of the increase in expenditure for both entities. At the ELC, staff wage costs decreased slightly as the centre relied more heavily on relieving staff. As a result, there was a significant increase in reliever costs compared with the previous year. Similarly, wage costs were the main contributor to BCC's increased expenses. This was due to a combination of factors, including additional administrative hours, increases in the minimum wage, and the need to maintain equitable pay levels across the wider team.

Despite the reported loss, the Centre's overall financial position remains strong. Appropriate contingency plans are in place, including reserves equivalent to approximately three months of operating expenditure held in term deposits. These funds provide financial stability and help ensure continuity of services in the event of unexpected circumstances.

I would like to extend my sincere thanks to the Board for its patience and support as I transition into the Treasurer role. I am particularly grateful to our previous Treasurer, Rebecca, for her assistance and willingness to share her knowledge. Her support has been invaluable in helping me develop a deeper understanding of the organisation's financial history and accounting processes.

My thanks also go to Brooke for her ongoing support in familiarising me with the accounts and day to day business operations. In addition, I would like to acknowledge our previous Centre Manager, Kirsty, for her generous support and for sharing her knowledge and experience. Her guidance has greatly assisted me in gaining a broader understanding of the organisation and its operations.

Our Team

Governance Board

Our Governance Board are all volunteers who give their time, experience and passion for Bayview to lead the strategic direction of the work done at the Centre. Elections are held each October at our Annual General Meeting which is open for all to attend.

Chair – Colleen Dutton
Treasurer – Andrea Lam
Secretary – Divina Paredes
ELC Parent Rep – Taryn Davies
Board members – Karolina Sargeant, Murray Sheard, Natasha Douglas

Community Centre Staff

Centre Manager – Emma Faulkner
Accounts Administrator/2IC – Brooke Withy
Office Administrator – Gill Tregonning
Community Engagement Facilitator – Victoria Anderson
Playgroup Supervisor – Mariette Kemp
Before & After School Programme Supervisor – Suhair Hussain
School Holiday Programme Supervisor – Sena Al Bakri
Kaipatiki Repair Cafe Co-ordinator - Hannah Bennett
We have an additional 13 Part-time / Casual OSCAR Staff

Early Learning Centre Staff

Centre Manager - Elisiva Paumolevuka (Ella)
Senior Teacher - Tammy Jensen
Teacher - Over 2's - Christine Worsley
Teacher - Over 2's - Helen Lamberton
Teacher - Under 2's - Gigi Chung
Support Teacher - Tia Pereia
Kitchen - Freddy Kloss
Administrator - Emma Rountree

Our Services and Events

- **Early Learning Centre:** A community-based centre licensed for 35 children. The ELCis extremely popular, offers full day care and has a lengthy waitlist.
- **OSCAR Accredited Programmes:**
  - **School Holiday Programme**. Licensed for 80 children. The Programme averaged 60 children per day during the most recent financial year.
  - **Before School Care (BSC) and After School Care (ASC).** Licensed for 70 children. BSC averaged 28 children and ASC averanged 61 during the last financial year.
- **Casual Hires:** We have 3 rooms for hire. A hall for parties / celebrations, large meeting room and a small meeting room ideal for counsellors or business meetings.
- **Regular Hirers:** Mix of paid and free hires with many listed below.
- **Community-led Events:** volunteers who donate their time to offer a free community activity.
- **Centre-led Events:** A wide variety of one-off or annual events as well as more regular ones. We aim to offer as many events as possible free of charge.

Regular Hirers and Activities

Ngā mihi nui to our regular hirers and community groups, you help make our Centre what it is! If you are interested in attending any of these activities, please check out the Community Centre website.
