Kia Ora Bayview,
My name is Kim Du Plessis.
I come from South Africa with my hubby and 2 awesome Kids.

We as a family have always been very connected with our community and neighbourhood.

I love people and believe that by building a Community, you help build a nation. I look forward to meeting you and I am always available for a chat and hello.

PEST FREE KAIPĀTIKI RESTORATION SOCIETY

Use Trap.NZ to record your baiting and trapping

Involved in pest trapping, baiting, or monitoring in Kaipātiki? Are you using Trap.NZ yet? We have set up a local Trap.NZ project for the Bayview Halo. Scan the QR code to register and join the project. You need to register and log in to Trap.NZ to be able to join the project.

The more people report their activity, the more impact we can have. It will tell us where we're having success, where we need to improve, which pests are where, and you can track your own progress too.

Is there something you would like to see happening in Bayview? We can work together to create an event or group.

Send feedback and ideas to community@bayviewcentre.org.nz

No compost at your house? Collect your kitchen scraps in a container or bucket and bring them down to our compost hub to keep the food out of landfill. Located by the back door of the Bayview Community Centre.
